Photos are due by **December 1, 2021**. They can be submitted digitally as a jpg file. Pictures must be 400 KB or higher resolution or they will not work well with our yearbook program. Email them to [volunteers@greatfallscentral.org](mailto:volunteers@greatfallscentral.org), or sent to the office on a usb. Hard copies can be scanned and returned to you.

### **SENIOR SLIDESHOW**

In order to keep the tradition of having a senior slideshow, we ask that you submit 6-8 photos of your student from birth to the present. They can either be candid or portraits, alone or with family, whatever you choose. (Please no baby pictures that are too revealing) If you send more than 8 we will use our best judgement in selecting the photos that go together for the slide show. They can be submitted digitally in jpg format and high resolution. Email to [volunteers@greatfallscentral.org](mailto:volunteers@greatfallscentral.org), send on a usb to the office or share a file with Mrs. Woelkers. We will be happy to scan original photos and return them to you. **DEADLINE: April 1, 2022.**
